

How to get to Keramiek Galerie "Groot Welsden"?

By car

Driving down the A2 Eindhoven-Maastricht, stay on the motorway when you enter Maastricht (direction Liège/Luik). Take the junction Cadier en Keer/Vaals (Rijksweg N278) and keep heading in the direction of Vaals. When in Margraten you see the brown sign 'Ceramics Gallery' where you take a turn to the left at the traffic light in the direction of Valkenburg/Welsden.

Coming from the direction Aken/Vaals (N278) look for the brown sign 'Ceramics Gallery Groot Welsden' and take a turn to the right at the traffic lights in Margraten in the direction of Valkenburg/Welsden. Now you have two possibilities:

1. After a 100 metres follow the road in the direction of Groot Welsden (1 km). Turn right after the brown sign 'Ceramics Gallery'. After about 1 km you will see our Ceramics Gallery at the bend (scenic route).
2. Follow the signs Valkenburg. After 1 km outside the built-up area, behind the brown sign 'Ceramics Gallery' turn to the left at the detached farmhouse and drive in the direction of Groot Welsden / Cadier en Keer. After 350 metres turn left again in the direction of Bemelen/ Cadier en Keer. Second farmhouse on the left.

By bus

From Maastricht's central station.
